Zenfinex Global Limited, trading as Taurex, is a company registered in Seychelles with registration number 8428731-1, and is regulated by the Financial Services Authority of Seychelles with License number SD092. Its registered office is F20, 1st Floor, Eden Plaza, Eden Island, Seychelles.

Trading Foreign Exchange and Contracts for Difference (CFDs) is highly speculative and may not be suitable for all investors. The company offers trading on margin. The leverage created by trading on margin can work against you as well as for you, and losses can exceed your entire investment. Forex and CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. The majority of retail investor accounts lose money when trading CFDs. You should consider whether you understand how CFDs work and whether you can afford to take the high risk of losing your money.
